## A Visual Notation for Network Diagrams in Biology

Welcome to the global portal for documentation, news, and other information about the **Systems Biology Graphical Notation (SBGN)** project, an effort to standardize the graphical notation used in maps of biological processes.

### Quick start

[Learn how to use SBGN](#)

[Get involved](#)

### Symbol of the month

[Macromolecule \(PD\)](#)

SBGN is the work of many people. It would not have been possible without the generous [support of multiple organizations](#) over the years, for which we are very thankful.

SBGN News

( 19 Apr. '13) The SBGN User Survey. We need your help to make SBGN better. Find out more [here](#).
